

Admission to China Southern Power Grid Company Scholarship of Guangxi University in Electrical Engineering and Automation 2026 (For International Students)

Welcome to our program. Guangxi University (hereinafter GXU) is a national “211 Project” construction university, a “double first-class” construction university, and the co-construction university of the Ministry of Education and People’s Government of Guangxi Zhuang Autonomous Region, which enjoys favourable educational resources and teaching environment. The School of Electrical Engineering (China-ASEAN Institute of Energy) was founded in 1938, which is located in Nanning, the provincial capital city of Guangxi. With a beautiful scenery, Nanning is known as the “Green City of China”. It is also a frontier city in China’s opening-up and cooperation with ASEAN. With authority to offer Master and PhD degrees in Electrical Engineering, the School has national first-class undergraduate program, that is, Electrical Engineering and Automation. In terms of teaching faculty, the School has national-level teaching groups, national-level teaching platforms, and well-equipped teaching environment and advanced infrastructures.

China Southern Power Grid Company Scholarship is a full scholarship and co-founded with GXU to jointly cultivate the undergraduates in Electrical Engineering and Automation as well as the post-graduates in Electrical Engineering in order to meet the needs of developing its business in ASEAN countries.

The relevant information of our program is listed as follows:

1. Admission and Funding

Degree Categories	Programs	Duration of the Programs	Duration of Prior Course in Chinese	Duration of Scholarship	Study Mode
Bachelor	Electrical Engineering and Automation	4 years	1 year	1+4 years	Full-time
Master	Electrical Engineering	3 years	-	0+3 years	Full-time

Master	Law	3 years	-	0+3 years	Full-time
Master	Economics	3 years	-	0+3 years	Full-time

Note: (1) The language for teaching is Chinese except for the first year for learning Chinese. (2) No prior course in Chinese will be provided for Master program applicants. HSK-4 or above certificate must be provided during application. Meanwhile, you will enjoy priority if you can provide IELTS score of 6 or above, or TOEFL iBT score of 85 or above.

2. Program Length and Semesters

The Bachelor's Degree Program lasts 4 years, while Master's Degree Program, 3 years.

All the undergraduates must complete one-year prior course in Chinese. Before major-related studies, the international students should pass HSK-4 or above; meanwhile, you need to take CSCA exam with qualifying scores. Test subjects include professional Chinese (STEM), Mathematics, Physics, and Chemistry.

There are two semesters in GXU: the Spring and the Fall. The Fall semester is the new beginning of a new academic year, usually from September to the following January. The Spring semester is usually from February to June.

3. Required Qualifications of Applicants

(1) Applicants must be non-Chinese citizens with a valid personal ordinary-type passports.

(2) Applicants should be exclusively from ASEAN countries or the sponsored international students by China Southern Power Grid Overseas Projects.

(3) Applicants should be physically and psychologically healthy in line with our physical examination requirements for study, resident, or visa application.

(4) Master's Degree Program applicants should have a Bachelor's degree or an equivalent to Bachelor's degree in China.

(5) Applicants should be friendly to China, diligent, well-behaved, of good character, be willing to abide by China's laws and regulations, and without criminal record.

(6) Master's Degree Program applicants' Chinese proficiency should be HSK4, 180 points or above .

(7) Bachelor's Degree Program applicants should be born after September 1, 1996. For Master's Degree Program, after September 1, 1991.

4. How to Apply

Our programs are now under application. The new academic year will start on Sept. 1, 2026. Please read the following instruction carefully, if you would like to apply for.

You can click the following link or scan the QR code for the online application.

<http://gxu.at0086.cn/StuApplication/Login.aspx>

During online application, you can begin when you open your own account via your email box. Then you need to choose “China Southern Power Grid Company Scholarship” from the list. You need to submit the following documents in the application system.

Please submit the following specified No. 1, 2, 3, 4, 5, 6, 9 and 10 documents if you apply for Bachelor's Degree Program.

Please submit the following specified No. 1, 2, 3, 4, 6, 7, 8, 9 and 10 documents if you apply for Master's Degree Program.

(1) Passport photo (dressed in dark color clothes against the white background)

(2) Health certificate (download from the following link, https://gjxy.gxu.edu.cn/gjxy_en/info/1035/1151.htm)

(3) Scanned passport bio page and the visa one

(4) HSK-4 certificate or above (Undergraduate applicants can provide it after the prior course learning).

(5) Transcript of CSCA exam (Undergraduate applicants can provide it after the prior course learning).

(6) Your highest degree (The original copy should be notarized, and the Chinese and English translated versions are needed.)

(7) The transcript for your highest degree (The original copy should be notarized, and the Chinese and English translated versions are needed.)

(8) Two Letters of Recommendation by associate professors in Chinese or English (Master-level applicants are required.)

(9) Study plan (Master-level applicants are required.)

(10) Non-Criminal Record Certificate

5. Evaluation and Admission

It takes at least 4-8 weeks to issue your acceptance letter upon receiving your application. During that period, we will inform you to submit all the necessary materials we need. Guangxi Power Grid Company will jointly evaluate your application, and organize essential interview. If you are accepted, we will do our utmost to send you the acceptance letter and its relevant documents as soon as possible.

6. Visa Application

You can go to the Chinese Embassy in your home country to apply for your student visa with your acceptance letter and visa application form. When you arrive at GXU, you will apply for Residence Permit. With that, you can legally study and live in China.

Note: The Residence Permit is your KEY document during your stay in China. Upon paying your tuition fees, GXU will help apply for it.

7. Deadline

Please submit your application before (Beijing time) 24:00, on June 21, 2026 so as to ensure the orderly conduct of teaching activities.

8. The Relevant Information of the Scholarship

Our funding includes tuition, accommodation, living expenses, and insurance. The living expenses include living subsidies, part of out-patient medical expenses, physical examination fees, visa/residence permit fees, lump-sum settlement allowance, transportation fees, application fees for HSK4/5, and textbook fees.

9. Accommodation

For undergraduates, GXU provides a 4-person dormitory.

For graduates, GXU provides a double room or a 4-person dormitory (It depends on the actual situation after registration.).
